The Seven Hills of Rome

Vaticanus and Quirinal are two of the seven hills on which ancient Rome was built. "The Vatican" refers to papal authority and government whereas "the Quirinal" refers to Italian civil authority and government. There is also the Esquiline (of the miraculous fall of snow) and the Capitoline (on which the ancient temple of Jupiter was built)

The Post – Resurrection Appearances of Jesus

According to Paul (1 Corinthians 15:5-8)

... he was seen by Cephas, then by the twelve. After that he was seen by five hundred brothers at once... Next he was seen by James; then by all the apostles. Last of all he was seen by me, as one born out of the normal course.

According to Luke (Acts 1:3 and 13:30-31)

After his suffering he presented himself alive to them by many convincing proofs, appearing to them during forty days and speaking about the kingdom of God... God raised him, from the dead; and for many days he appeared to those who came up with him from Galilee to Jerusalem.

1. The object of fear of the Lord is divine justice. "The fear of the Lord is the beginning of wisdom" (Psalm 111:10).
 - Filial fear (selfless): fear of offending
 - Servile fear (selfish): fear of being punished.
2. The objective of the love of the Lord is divine goodness. "Perfect love casts out all fear" (1 John 4:18).
