Ordinary Time

Ordinary Time is the name given to the thirty-three or thirty-four weeks (depending upon Easter) in the course of the year apart from Advent/Christmas and Lent/Triduum/ Easter. Ordinary Time is that part of the liturgical year when no particular moment or aspect of the Christian mystery is celebrated.

Ordinary Time's Two Phases

Ordinary Time has two phases, a shorter one in winter between the Season of Christmas and the Season of Lent and a longer one through the summer and fall between the Season of Easter and the Season of Advent. The pre-Lenten phase begins the Monday after the Baptism of our Lord and includes what were formerly called the Sundays after Epiphany and the suppressed Sundays of Septua-/Sexa-/Quinquagesima. Ordinary Time is then interrupted on the Tuesday before Ash Wednesday for the Seasons of Lent, Triduum, and Easter. It resumes the Monday after Pentecost and continues until the end of the Church year. This second phase includes Trinity Sunday (the Sunday after Pentecost), the Body and Blood of Christ (the Sunday after Trinity Sunday), and Christ the King (the last Sunday of the Church year).

Principles

Although distinct from liturgical prayer is governed by the same principles:

1. Trinitarian (mediated by Christ)—to the father, in union with the Holy Spirit
2. Ecclesial (integrating the spirit and mission of the Church)—not overly individualistic and subjective
3. Scriptural (fortified with Bible readings)
4. Liturgical (associated with the sacraments) reflect the sacramental life and liturgical calendar

Saint's Day or what?

St. Valentine was a third-century Christian martyr whose feast day was kept on February 14th. Actually, he is one of ten St. Valentines (including a 9th century Pope) and these ten are among about 40,000 recognized saints, of whom only a fraction are commemorated in the calendar! There are various explanations for the connection between his name and the current "Valentine" practices, which have little to do with his life.
