### **General Principles of the New Lectionary**

- Gospel: During Ordinary Time readings are organic, which is the term for a continuous or semi-continuous reading of a text. A particular book or letter is treated as a whole and not “as related to something else.”
- First Reading (Sundays): Old Testament readings are chosen thematically. The choices according to themes show clearly the unity and relationship between the Old and New Testament.
- Second Reading: The choices are organic, providing a semi-continuous reading of Paul and James. (Peter & John are read during Easter and Christmas season).
- First Reading (Weekdays): Like the second reading on Sunday, the first reading of weekday liturgies is organic, although more selective than on Sundays, since both Testaments are used.

### **St. Luke, Evangelists**

Luke (Martyr) is called the winged ox, since he deals with the sacrificial aspects of Christ’s life and since his version of the Gospel begins with a temple scene.
