### **Getting Ready For Lent**

Historically, Lent was the retreat-like final preparation period for catechumens, those being initiated into the Church and into the Paschal mystery at the Easter Vigil. Naturally enough, it became in time a renewal period for the already baptized faithful, the sponsoring community being inspired by the conversion of the catechumens. It was also a time of penance for those enrolled in the order of penitents, an early form of the Sacrament of Penance, limited to serious sinners.

### **Lent**

The annual Lenten season is the fitting time to climb the holy mountain of Easter. The Lenten season has a double character, namely to prepare both catechumens and faithful to celebrate the paschal mystery. The catechumens, both with the rite of election and scrutinizes, and by catechesis, are prepared for the celebration of the sacraments of Christian initiation; the faithful, ever more attentive to the word of the God and prayer, prepare themselves by penance for the renewal of their baptismal promises.

### **Lenten Season**

The penitential season of six Sundays and forty weekdays prepares for the high feast of Easter. Lent begins on Ash Wednesday and ends with the beginning of the Mass of the Lord's Supper in the evening on Holy Thursday. The word Lent is from the Anglo-Saxon *lencten* (spring). *Lenctentid* (springtide) was the Saxon name for March because March is the month in which days begin to lengthen. The Great Fast, falling as it does largely in the month of March, adopted and adapted the term.
