“No! No! It is a Sin!” by Fr. Richard J. Rego

The Influence of the Pagan World

“Do not love the world or the things of the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world, sensual lust, enticement for the eyes, and the pride of life, is not from the Father but is from the world. But whoever does the will of God remains forever” (1 Jn. 2:15-16).

The Un-Christian Influence of Christians

My dear young people, we must always hold the priesthood in high esteem. The priest is, by definition, an ALTER CHRISTUS, ANOTHER CHIRST! That means that the priest must, as did the Lord Jesus, lay down his life for you, for the People of God. He must be a man of sacrifice. He must offer the Holy Sacrifice of the Mass. The priest must hear our confessions, forgive our sins, be with us when we are dying and be our mediator with God. Without the priest, we cannot have the Mass or the sacraments; we cannot have Jesus present in the Holy Eucharist.
