Reflection:

One of the most important moments in the life of every Christian is baptism. Unlike other times, we remember very little about him. Not only because, when we were baptized and "wet" our heads, we had no use of reason, but also because we do not always value it in its proper measure. Today's Gospel presents us with the baptism of Jesus. He, who was God, who had no sin, went to John the Baptist to be baptized. What a surprise for the Baptist to see that God Himself bowed down to him to receive this sacrament! With this gesture, Jesus shows us the greatness of this mystery and gives us another lesson in humility. Indeed, through baptism we become children of God. We are cured of original sin. Thanks to this sacrament the gates of heaven are opened to us and we begin to gain merits in the great competition that is life. God gives us his grace. It is up to us to make it fruitful, to make it grow day after day. Until where? «And the Holy Spirit descended in bodily form, like a dove, on Him, and a voice was heard from heaven: "You are my beloved Son, in You I am well pleased. " We must make the Father also exclaim about each one of us: "This is my beloved son ... I am pleased with him ...
