Reflection:

Then Jesus said to his disciples, if Someone wants to come after me, deny himself, and take up his cross and follow me. For whoever wants to save his soul will lose it. But whoever loses his soul for me will find it.

It seems easy to answer if we say to eternal life, we walk towards eternity and we are going to contemplate God, that is the goal that we have not programmed.

Grace is a free gift that the Lord gives to men to achieve glory, and with how much love Jesus offers us the grace of his company, what a great opportunity that Christ gives us to be close to Him, to walk with Him, it is an invitation to walk with a sure step towards the Father's house. I assure you, it is a difficult path, it seems easy, but it is not, that excessive desire to show one's qualities and for them to be recognized and praised must be put aside, it is not to boast or be presumptuous, it must be put aside excessive appreciation for everything that is considered a material good, we must forget the excessive love for oneself, which leads to paying excessive attention to one's own interests without taking care of those of others.

"All United one in the Love of God"
"Todos Unidos UNO en el Amor de Dios"
