**Reflection:**

Christ continues to challenge the man of all times, to be placed with him, or against him. Unfortunately, there are no more positions. And we will always have to decide: Christ or our selfishness. Christ or our sensuality. Jesus himself spoke that you cannot serve two masters. It is impossible to light a candle to God and another to the devil ...

We see that it is not easy to remain faithful to the teachings of the Master, and that no matter how good our intentions are to do good and help others, we do not always achieve our goals. However, we do not have to be intimidated. We must trust and ask Christ for the strength to stand up for him and for his Kingdom, in the same way that he gave his life for us. Show your face is not to be confused by sects, or to let others be. To show one's face is to study one's own faith, to give convincing answers to those who attack the Pope, the Magisterium and Christian morality, knowing that only in Christ is the Truth. And that only Christ saves ...
